RESOLUTIONS

1. ELECTION OF DIRECTORS (ORDINARY RESOLUTION 1, 2 & 3)

As anticipated in the Corporate Governance Statement in the 2017 Annual Report, during 2018 the membership and structure of the Board was reviewed and was changed significantly to best meet the needs of the next stage of the business. Dianne Angus, Patrick Davies and Jenny Harry were all appointed as independent non-executive directors in July 2018. They are all members of the Audit Committee and the Remuneration Committee. The composition of the Board is now one executive director and four independent non-executive directors.

The ASX Listing Rules require that a director appointed as an addition to the board of an entity must not hold office without re-election past the next annual general meeting of the entity. Accordingly Dianne Angus, Patrick Davies and Jenny Harry must be re-elected at the Meeting.

Dianne Angus BSc (Hons), Master of Biotechnology, IPTA joined the Neuren Board on 1 July 2018. She has worked as a senior executive and non-executive director within the biotechnology, biopharmaceutical and agritech industries for over twenty-five years. She has created numerous global industry partnerships which include Prana Biotechnology, Gerolymatos International, Florigene, Suntory & Monsanto to yield novel and competitive medical, pharmaceutical and agricultural products. Dianne has successfully forged strong partnerships with key medical opinion leaders to create innovative clinical research programs and driven the development path for novel neurological pre-clinical agents to late-stage clinical assets before the FDA and European regulators. With over fifteen years’ experience in an ASX and NASDAQ listed company, she has expertise in business development, capital raising, investor relations, regulatory affairs and intellectual property, together with corporate governance and compliance capabilities. Dianne holds a Masters degree in biotechnology and is a registered patent attorney.
Patrick Davies B EC, MBA joined the Neuren Board on 1 July 2018. He has held executive management roles in the Australian and New Zealand healthcare industry for over twenty five years having performed successfully in senior roles across many industry sectors including pharmacy, primary care, pharmaceutical and consumer products. During his ten year period as Chief Executive Officer of EBOS Group Limited (and previously Symbion), the enterprise value of the group achieved compound annual growth in enterprise value of +20% (from circa $450M to in excess of $3.1B). He is a director on other corporate boards and provides strategic advice to a range of healthcare businesses and investors.

Dr Jenny Harry BSc (Hons), PhD joined the Neuren Board on 7 July 2018. She has 20 years’ experience in executive management of companies in the biotechnology and biopharmaceutical sectors. She is currently the Managing Director of Ondek Pty Ltd, an Australian biopharmaceutical company developing new treatments for paediatric allergy. In her previous role, as CEO and Managing Director of Tyrian Diagnostics, Jenny transformed the company from an R&D business to a diagnostics company and oversaw development of the company’s first products through to commercialisation and early revenue generation. She is a graduate of the Harvard Business School General Manager Program and the Australian Institute of Company Directors. Jenny is currently Chair of QUT Enterprise Holdings and a non-executive director on the boards of QUTbluebox and Creative Enterprise Australia.
