NOTICE OF ANNUAL SHAREHOLDERS' MEETING

Notice is given that the Annual Shareholders' Meeting (**Meeting**) of Neuren Pharmaceuticals Limited (**Company** or **Neuren**) will be held at:

Venue: RACV City Club, Level 2, Bayside 4a/b, 501 Bourke St, Melbourne VIC 3000

Date: Wednesday 27 May 2026

Time: 2.00pm AEST

As the Company's constitution allows for a general meeting to be held at two or more venues simultaneously using any technology that gives the shareholders as a whole a reasonable opportunity to participate, Neuren will hold a hybrid meeting, being a physical meeting linked with online facilities that allow remote participation, where shareholders will be able to participate in person or online. Shareholders should lodge a directed proxy as soon as possible in advance of the meeting even if they are planning to attend the Meeting in person.

Shareholders will be able to participate in a live webcast of the Meeting online enabling them to listen, participate and ask questions to the extent they are entitled to do so and cast direct votes at the appropriate times whilst the Meeting is in progress. Each person entitled to vote will be given the opportunity to participate in the vote in real time (and voting is also available in advance of the Meeting by lodging a directed proxy). Voting at the Meeting will occur by a poll rather than a show of hands.

For shareholders who wish to participate in the Meeting online, it will be accessible via the online platform at <https://meetings.openbriefing.com/neu26> hosted by the Share Registry of the Company, MUFG Corporate Markets, a division of MUFG Pension & Market Services (**MUFG Corporate Markets**) (formerly known as Link Market Services).

The Explanatory Memorandum and Proxy Form which accompany and form part of the Notice of Meeting, describe in more detail the matters to be considered, and include instructions on how to attend the Meeting and vote.

EXPLANATORY MEMORANDUM

The purpose of this Explanatory Memorandum, which forms part of the Notice of Meeting dated 24 April 2026, is to provide shareholders with an explanation of the Resolutions to be proposed and considered at the Annual Shareholders' Meeting on Wednesday 27 May 2026 (**Meeting**) and to allow shareholders to determine how they wish to vote on those Resolutions.

RESOLUTION 1: RE-ELECTION OF DIRECTOR - JOE BASILE

The ASX Listing Rules require that a director of the entity must not hold office without re-election past the third annual general meeting following the director's appointment, or 3 years, whichever is longer. Accordingly, Joe Basile offers himself for re-election at the Meeting.

Joe joined the Neuren Board in March 2023 and brings extensive financial and commercial expertise to the Board. In 2024, he was appointed Chair of the Audit Committee. Joe has over 30 years' experience in executive roles within the pharmaceutical industry, most recently as Group Chief Financial Officer of iNova Pharmaceuticals, based in Singapore. Prior to this, he held senior Finance leadership and Commercial Sales leadership roles with Novartis across Australia and Asia.

If Resolution 1 is passed, Joe will hold office as Director until the third annual general meeting following his reappointment, or for a period of 3 years, whichever is longer.

If Resolution 1 is not passed, Joe will cease to hold office as Director with effect from the conclusion of the Meeting.

RESOLUTION 2: AUDITOR REMUNERATION

In accordance with section 2075 of the Companies Act 1993 (NZ), this resolution seeks authorisation for the board of directors to fix the fees and expenses of the Company's auditor.

RESOLUTION 3: ISSUE OF OPTIONS TO MANAGING DIRECTOR - JONATHAN PILCHER

The Company is proposing to grant 360,000 unquoted options to acquire ordinary shares ("**Options**") to Managing Director, Jonathan (Jon) Pilcher. On 23 May 2025, Neuren announced the issue of 1,800,000 new share options to Neuren team members as a long-term incentive linked to achieving key milestones for NNZ-2591 as well as the intention to issue 360,000 Options with the same terms to Jon, subject to receiving shareholder approval at a future meeting of shareholders. The Options provide an incentive component to Jon's remuneration package aligned with the interests of Shareholders.

Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- 10.14.1 a director of the company;
- 10.14.2 an associate of a director of the company; or
- 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

The proposed issue of the Options to Jon Pilcher falls within Listing Rule 10.14.1, as Jon is a Director, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

Resolution 3 seeks the required Shareholder approval for the proposed issue of Options under and for the purposes of Listing Rule 10.14.

If Resolution 3 is passed, the Company will be able to proceed with the issue of Options to Jon Pilcher, and the Options (and any Shares issued upon their vesting) will not count towards the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of Options to Jon Pilcher.

Voting Exclusions

For the voting exclusion applicable to this Resolution 3, please refer to the voting exclusion statement in the Notice of Meeting.

RESOLUTION 4: AMENDMENTS TO COMPANY'S CONSTITUTION

Resolution 4 seeks shareholder approval for the amendments to the Company's Constitution that are specified in the Appendix to this Notice of Meeting, with those amendments taking effect from the close of the Meeting.

The proposed amendments to the Constitution account for a number of developments in law, the ASX Listing Rules, corporate governance principles and general corporate and commercial practice for ASX-listed entities since the Constitution was last amended on 6 December 2016.

Pursuant to section 32 of the Companies Act 1993 (NZ), the proposed amendments to the Company's Constitution must be approved by a special resolution of shareholders. To be passed, a special resolution requires the approval of 75% or more of the valid votes cast on the resolution by shareholders entitled to vote and voting on the resolution.

A summary of the proposed amendments is set out below.

Clause 16.6 permits the Board to make a payment to a director or former director (or his or her dependants) by way of a lump sum or pension in connection with the retirement or cessation of office by that director, if the amount of that payment or the method of calculation of that payment is authorised by an ordinary resolution of the shareholders. Authorisation of that amount or method of calculation by ordinary resolution is not required, however, if the relevant director was in office on or before 1 May 2004, has continued to hold office since that date and provided that the amount or base of that pension does not exceed a threshold specified in clause 16.6. No current directors have held office since 1 May 2004 and, accordingly, no current directors are able to receive a lump sum or pension upon retirement from, or cessation of, office without that payment or the method of calculation of that payment first being approved by ordinary resolution of the shareholders. The Board proposes the amendments to clause 16.6 to clarify that any such lump sum or method of calculation of pension payment must be authorised by an ordinary resolution of the shareholders.

The Board proposes amendments to clause 9.1 to provide that the power to transfer Shares is subject to the ASX Listing Rules and ASX Settlement Rules.

The Board proposes that new clause 9.2.3(d) is inserted to clarify that any instrument of transfer not falling within the provisions of clauses 9.1, 9.2.1 or 9.2.2 must be accompanied by such evidence as the Board reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, any shares being transferred.

Clause 7.4 permits the Board to sell the shares of a Shareholder holding less than a "Minimum Holding" after giving three months' written notice to that Shareholder. The Board proposes to replace clause 7.4 with updated provisions that align with the requirements of ASX Listing Rule 15.13, which governs the sale of securities held by a Shareholder holding less than a *Marketable Parcel* (as that term is defined in the ASX Listing Rules), being a parcel with a market value of less than A\$500. Proposed new clause 7.4.1 requires, among other things, that the Company gives the relevant Shareholder at least six weeks' notice (together with a form of election) prior to selling a Shareholder's parcel that is less than a Marketable Parcel. If a Shareholder notifies the Company within the specified notice period that it wishes to retain its security holding, the sale provisions of clause 7.4 will not apply. If a Shareholder does not give such notice, then the Company may sell the relevant securities in compliance with clause 7.4.3. Proposed new clause 7.4.2 provides the Company with additional powers of sale where a Shareholder's holding of less than a Marketable Parcel was created by the transfer of a parcel that was itself less than a Marketable Parcel. In those circumstances, the Company may exercise its power of sale without needing to first consult with the relevant Shareholder. Proposed new clause 7.4.4 provides that the purchaser must bear all costs of the sale of securities under clause 7.4.

The Board proposes that new clause 9.2.6 is inserted to provide the Company with the power to take any action determined necessary by the Directors to comply with the ASX Settlement Rules, including requesting an Approved CS Facility to apply a Holding Lock to prevent a transfer of securities from being registered.

Proposed new clause 9.5 is a mandatory provision required to be included in the constitutions of listed entities under ASX Listing Rule 15.12. Broadly, proposed new clause 9.5 restricts holders of Restricted Securities from disposing of, or receiving capital returns on, those securities during the applicable escrow period and sets out the consequences of any breach of those restrictions. "Restricted Securities" has the meaning given in the ASX Listing Rules and captures securities subject to mandatory escrow (trading restrictions) imposed by the ASX. These restrictions generally apply during new listings or re-compliance listings to ensure that key stakeholders, such as founders and vendors, remain aligned with the company's performance post-listing.

The Board proposes that clause 14.16 (which provides that clause 7 of the First Schedule of the Companies Act 1993 (NZ) relating to postal votes does not apply to the Company unless the Board determines otherwise) is deleted and replaced with new clause 14.6.4. Proposed new clause 14.6.4 provides that:

- the Board has discretion to determine whether Shareholders may vote by postal vote (including by electronic means permitted by the Board);
- if the Board permits postal voting, the procedures set out in clause 7 of the First Schedule of the Companies Act 1993 (NZ) will apply;
- where a Shareholder submits both a valid postal vote and a proxy or representative appointment for the same resolution, the Company may treat the postal vote as effective and disregard any vote cast by the proxy, attorney or representative on that resolution; and
- a postal vote is not revoked by a Shareholder attending a meeting in person unless the Shareholder instructs the Company (or, at the Company's instruction, its share registry) before the meeting at which they wish to vote in person.

The Board proposes to insert new clauses 15.2.2, 15.2.3 and 15.5 to clarify the rights of Shareholders in relation to proxies and attorneys. Proposed new clause 15.2.2 provides that a Shareholder may appoint more than one Proxy for a particular meeting, provided that more than one Proxy is not appointed to exercise the rights attached to a particular Share. Proposed new clause 15.2.3 provides that if a Shareholder appoints two or more Proxies, the appointment may specify

the proportion or number of the Shareholder's votes each Proxy may exercise, failing which each Proxy may exercise an equal proportion of the votes. Proposed new clause 15.5 provides that a Proxy or attorney has no power to act for a Shareholder at a general meeting at which the Shareholder is present in person (or, in the case of a body corporate, by representative), and that a Proxy has no power to act where the Shareholder is present by attorney.

The Board proposes that new clause 16.5 is inserted to provide for the mandatory retirement of Directors by rotation in compliance with ASX Listing Rules 14.4 and 14.5. Among other things, proposed new clause 16.5 provides that:

- an election of Directors must be held each year;
- a Director may not hold office for more than three years or beyond the third annual general meeting following appointment without submitting for re-election; and
- a Managing Director is not required to retire by rotation.

Minor amendments are also proposed to account for updated references to, and terminology used in, relevant legislation and the ASX Listing Rules since the Constitution was last amended on 6 December 2016. Minor amendments are also proposed to delete reference to outdated modes of communication and to reflect consequential changes to clause numbering set out in the Company's Constitution.

The Board recommends that shareholders vote in favour of the amendments to the Company's Constitution.

The remedy of any Person aggrieved by the sale shall be in damages only and against the Company exclusively. If the certificate for the Shares sold is not delivered up to the Company, the Board may issue a new certificate distinguishing it as it thinks fit from the certificate not delivered up, whereupon the latter shall be deemed to have been cancelled.
